## President's Salvo

Gentlemen,

It is exciting that our new team of officers will have the opportunity to guide and improve our Chapter for the next two years. Two goals I think should have priority are increasing Chapter membership and member participation. Members need to join committees, attend meetings and events, get a uniform, and participate in Color Guard activities.

Our Chapter Handbook needs to be reviewed, updated, and distributed to all members. The Handbook should define how activities are conducted, identify responsibilities of officers, document contacts, and define the dress codes so all know what can be worn with what, etc.

Also, I wish to solicit from all on what you would like to see and/or what type of presentations you would like to have at our meetings. I would like to try an outdoor meeting at a park or range when it is comfortable; to

All JROTC awards for the 2015-2016 school year have been awarded, including all high school JROTC programs in Martin, Okeechobee, and Saint Lucie Counties. We wish to thank our JROTC committee members Jack Irvin, Carl Wade, and Chuck McKinley for making this a positive and appreciated award experience for our young citizens who have enrolled voluntarily in these activities at our local high schools. As a result of our interactions with these schools, our Chapter has received their support in many outside activities, including serving as color Guard at various Chapter events. This support of our Chapter is deeply appreciated, as well as the commitment of students to obtain some military knowledge for use in their life after graduation, be it entering the Military Services or in their future work.
